

Sinclair Broadcasting is abusing it's right to use the public airways free of charge by forcing its stations to broadcast an anti-Kerry documentary just before the election. Besides using the public airways to serve the political interests of its owner, it is violating the equal time provision of the federal election laws.

This is an outrage. It should not be allowed. And Sinclair Broadcasting should not have its license renewed for engaging in such practices. I expect the FCC to take prompt action. Thank you.
